FmHA AN No. 1517 (2006)

December 18, 1986

SUBJECT: Farmer Programs Information System

TO: All State Directors, State Directors-at-Large,
and Assistant Administrator, Finance Office, FmHA

PURPOSE/INTENDED OUTCOME:

This Administrative Notice (AN) continues the Farmer Programs Information System (FARMS), as is, until such time when management decisions regarding FARMS revisions can be finalized and implemented.

COMPARISON WITH PREVIOUS AN:

This AN supersedes AN No. 1315 (2006), dated December 26, 1985, with an expiration date of December 31, 1986. With the exception of the reporting changes implemented in FmHA AN No. 1407 (2006) dated May 8, 1986, and restated below, all offices are instructed to continue reporting for FARMS per the reporting requirements contained in the FARMS User's Guide.

IMPLEMENTATION RESPONSIBILITIES:

1. Renumbered loans (reamortization reschedulings, consolidations, or debt set-aside) are no longer required for FARMS reporting.
2. Submission of a Set 4 to modify a FARMS loan in the data base when the status of the loan changes is no longer required.
3. Due to the enactment of the Farm Bill of 1985, prohibiting the required use of the Coordinated Financial Statement (CFS), all financial data supplied to FARMS will now be reported on Set 2. Set 8, previously used for reporting financial data for those borrowers on CFS, is abolished and should no longer be submitted.

Please mail all FARMS submissions to the following address:
